HOW TO USE THIS BOOK

Letting go is the deliberate integration of what the body learned and never unlearned. Read it slowly. Do not perform it.

1. Recognise your awareness as the witness of the experience.
2. Read without taking the words personally. They are mirrors, not judgments.
3. When emotion rises, do not resist it. Resistance is the block.
4. Observe the sensation without labelling it.
5. Breathe with the energy.
6. Turn the senses inward and feel what the body does as the emotion moves.
7. Stay with it until the charge drops.
8. Read the replacement aloud.
9. Let the new state settle before you stand up.
