HOW TO USE THIS BOOK

Letting go is the deliberate integration of what the body learned and never unlearned. Read it slowly. Do not perform it.

1. Recognise your awareness as the witness of the experience.
2. Read without taking the words personally. They are mirrors, not judgments.
3. When emotion rises, do not resist it. Resistance is the block.
4. Observe the sensation without labelling it.
5. Breathe with the energy.
6. Turn the senses inward and feel what the body does as the emotion moves.
7. Stay with it until the charge drops.
8. Read the replacement aloud.
9. Let the new state settle before you stand up.

PUBLIC EXPRESSION

Public expression

I'm letting go of believing, perceiving, thinking, behaving, acting, and feeling that I am uneasy, tense, nervous, unsure, insecure, cautious, hesitant, restless, worried, anxious, stressed, overwhelmed, threatened, cornered, trapped, frozen, helpless, powerless, disconnected from safety, unable to settle, unable to trust the ground, afraid of what comes next, afraid of being cornered.

Impact of Public expression: tight gut, shallow breath, cold limbs, braced legs.

Steadiness

I know that I am safe, calm, strong, steady, grounded, secure, protected, supported, resilient, anchored, centered, settled, present, capable, whole, unshaken, rooted in what is actual, steady under pressure, at home in my own weight, breathing all the way down, standing without bracing, held by the ground, safe in this body, safe in this moment, safe in what comes next, safe in the dark.

Impact of Steadiness: soft gut, full breath, warm limbs, loose legs.
