HOW TO USE THIS BOOK

Letting go is the deliberate integration of what the body learned and never unlearned. Read it slowly. Do not perform it.

1. Recognise your awareness as the witness of the experience.
2. Read without taking the words personally. They are mirrors, not judgments.
3. When emotion rises, do not resist it. Resistance is the block.
4. Observe the sensation without labelling it.
5. Breathe with the energy.
6. Turn the senses inward and feel what the body does as the emotion moves.
7. Stay with it until the charge drops.
8. Read the replacement aloud.
9. Let the new state settle before you stand up.

AFFIRM 10 TIMES:

I am restoration.

OVERWHELMED

Overwhelmed

I'm letting go of believing, perceiving, thinking, behaving, acting, and feeling that I am too much, uneasy, tense, irritated, frustrated, stressed, overwhelmed, pressured, defensive, resentful, angry, furious, depleted, defeated, disconnected from my power, unable to hold my ground, unable to act without rehearsing, afraid to be seen failing, afraid of my own force.

Impact of Overwhelmed: hard gut, locked jaw, shallow breath, curled shoulders.

Restoration

I know that I am strong, clear, decisive, grounded, capable, composed, steady, direct, certain, sovereign, unhurried, powerful without force, able to act before I rehearse, holding my own ground, soft in the gut under pressure, moving with discernment, choosing without flinching, standing in my own weight, clear in motion, steady in my own authority.

Impact of Restoration: soft gut, loose jaw, deep breath, open shoulders.

PHYSICALLY TIRED

Physically tired

I'm letting go of believing, perceiving, thinking, behaving, acting, and feeling that I am uneasy, tense, irritated, frustrated, stressed, overwhelmed, pressured, defensive, resentful, angry, furious, depleted, defeated, disconnected from my power, unable to hold my ground, unable to act without rehearsing, afraid to be seen failing, afraid of my own force.

I'm letting go of believing, perceiving, thinking, behaving, acting, and feeling that I am tired, fatigued, exhausted, humbled, uneasy, tense, irritated, frustrated, stressed, overwhelmed, pressured, defensive, resentful, angry, furious, depleted, defeated, disconnected from my power, unable to hold my ground, unable to act without rehearsing, afraid to be seen failing, afraid of my own force.
