HOW TO USE THIS BOOK

Letting go is the deliberate integration of what the body learned and never unlearned. Read it slowly. Do not perform it.

1. Recognise your awareness as the witness of the experience.
2. Read without taking the words personally. They are mirrors, not judgments.
3. When emotion rises, do not resist it. Resistance is the block.
4. Observe the sensation without labelling it.
5. Breathe with the energy.
6. Turn the senses inward and feel what the body does as the emotion moves.
7. Stay with it until the charge drops.
8. Read the replacement aloud.
9. Let the new state settle before you stand up.

AFFIRM 10 TIMES:

I am trust.

RESISTANCE

Resistance

I'm letting go of believing, perceiving, thinking, behaving, acting, and feeling that I am flexible, uneasy, tense, irritated, frustrated, stressed, overwhelmed, pressured, defensive, resentful, angry, furious, depleted, defeated, disconnected from my power, unable to hold my ground, unable to act without rehearsing, afraid to be seen failing, afraid of my own force.

Impact of Resistance: hard gut, locked jaw, shallow breath, curled shoulders.

Trust

I know that I am strong, clear, decisive, grounded, capable, composed, steady, direct, certain, sovereign, unhurried, powerful without force, able to act before I rehearse, holding my own ground, soft in the gut under pressure, moving with discernment, choosing without flinching, standing in my own weight, clear in motion, steady in my own authority.

Impact of Trust: soft gut, loose jaw, deep breath, open shoulders.

NEGATIVE

Negative

I'm letting go of believing, perceiving, thinking, behaving, acting, and feeling that I am not in control, uneasy, tense, nervous, unsure, insecure, cautious, hesitant, restless, worried, anxious, stressed, overwhelmed, threatened, cornered, trapped, frozen, helpless, powerless, disconnected from safety, unable to settle, unable to trust the ground, afraid of what comes next, afraid of being cornered.

Impact of Negative: tight gut, shallow breath, cold limbs, braced legs.

node 4 · Sacral Nerves · low back and pelvis

Whichever side speaks first is the one carrying it.

Trust

I know that I am safe, calm, strong, steady, grounded, secure, protected, supported, resilient, anchored, centered, settled, present, capable, whole, unshaken, rooted in what is actual, steady under pressure, at home in my own weight, breathing all the way down, standing without bracing, held by the ground, safe in this body, safe in this moment, safe in what comes next, safe in the dark.

Impact of Trust: soft gut, full breath, warm limbs, loose legs.
