HOW TO USE THIS BOOK

Letting go is the deliberate integration of what the body learned and never unlearned. Read it slowly. Do not perform it.

1. Recognise your awareness as the witness of the experience.
2. Read without taking the words personally. They are mirrors, not judgments.
3. When emotion rises, do not resist it. Resistance is the block.
4. Observe the sensation without labelling it.
5. Breathe with the energy.
6. Turn the senses inward and feel what the body does as the emotion moves.
7. Stay with it until the charge drops.
8. Read the replacement aloud.
9. Let the new state settle before you stand up.

Grieving

I'm letting go of believing, perceiving, thinking, behaving, acting, and feeling that I am grieving, uneasy, guarded, withdrawn, lonely, hurt, abandoned, rejected, unloved, closed, armoured, hollow, disconnected from love, unable to stay open, unable to take what is offered, afraid of closeness, afraid of losing again.

Impact of Grieving: tight chest, shallow breath, cold hands, heavy shoulders.

Renewal

I know that I am open, warm, connected, tender,
whole, trusting, present, generous, steady,
unarmoured, able to stay and stay intact, open
without bracing, held and holding, breathing into
the chest, letting it land, connected to life,
connected to love, open in grief, open in joy, open
in the ordinary day.

*Impact of Renewal: open chest, full breath, warm
hands, light shoulders.*

node 4 · Sacral Nerves · low back and pelvis

Reads on both sides, front of the body, close to the surface. What is in view and available to you. Left is inward and receptive. Right is outward and active.

Whichever side speaks first is the one carrying it.

Renewal

I know that I am safe, calm, strong, steady, grounded, secure, protected, supported, resilient, anchored, centered, settled, present, capable, whole, unshaken, rooted in what is actual, steady under pressure, at home in my own weight, breathing all the way down, standing without bracing, held by the ground, safe in this body, safe in this moment, safe in what comes next, safe in the dark.

Impact of Renewal: soft gut, full breath, warm limbs, loose legs.
